Subject: RE: AN question re ISES poster

I was being coy about other issues. Please minimize workload here, since Valerie is core to this. I would like to see, but only out of interest.

Bruce

This is for Lead (sorry I said lead not Lead Team) not PFAS.

Ex. 5 Deliberative Process (DP)

The question was manuscript versus poster review process. I will send factsheet later today and we can proceed from there.

Best, Annette

Annette,

Not sure of topic. Suggest talking to Andy Gillespie about processes.

Subject: AN question re ISES poster

Bruce,

The lead team is presenting at ISES. We have a fact sheet prepared per your new format. My question is: are we using the same process for poster as manuscripts? Thanks.

Plan to send over materials later today.
